HIGH PERFORMANCE DRYER

**Inspired by our salon heritage.
Engineered for salon performance.**

- SmartTech brushless motor
- 2200w
- Airspeed 150Km/h
- High ionic conditioning
- Ceramic technology

VSP3QA
RRP \$172.95
APN: 9338-841-005-085
Pack Size: 4

QUICK	- FAST DRYING UP TO 70% ¹ faster airflow reduces drying time, even when used on a lower temperature to minimize heat damage
QUIET	- NOISE REDUCTION TECHNOLOGY UP TO 40% ² less noise with patent pending noise reduction technology
QUALITY	- LONGLIFE BRUSHLESS MOTOR UP TO 10X ³ longer motor life with up to 5,000 hours of life
LIGHT WEIGHT	- WEIGHING ONLY 480g Style, smooth & professionally dry your hair with comfort & control
HIGH IONIC CONDITIONING	Eliminate static & style faster whilst trapping moisture to reduce your frizzies by up to 75% ⁴
CERAMIC TECHNOLOGY	Generates full spectrum, infra red heat which works to help minimise heat damage making your hair less frizzy & more manageable
6 CONTROL SETTINGS	3 heat & 2 speed settings, plus a true cold to finish & set your style
TRUE COLD SETTING	Finish & set your style with a blast of really cold air
CONCENTRATOR	Used to direct the airflow along the length of your hair & help you to style with greater precision
DIFFUSER	Build life, volume & dry your natural curls. Scrunch dry to create texture & loose waves

¹When compared to VS48A | ²When compared to 3Q dryer without patent pending noise technology
³When compared to standard AC motor dryers | ⁴When compared to dryers with natural ion generation

EXPERIENCE

- The fastest drying times
- The ultimate in volume and enhanced shine
- Total styling control and comfort with noise reduction technology

Advanced SmartTech Brushless Motor Technology

Why do I need a brushless motor?

Most dryer motors use carbon brushes that wear out over time causing the motor to stop working. This next generation 'SmartTech' brushless motor uses magnets and electronics to drive the motor, extending the life of the dryer by 10x.

- Ultra-fast airflow delivers superior drying power to reduce drying time
- Light and quiet operation with patented noise reduction technology
- Backed by a 5 year warranty for peace of mind.
