- Duoflex, dual epilation heads designed at a 30° angle flex & hug every curve of the body to remove hair in the most hard-to-reach places. With reverse rotation technology, the duoflex heads turn in opposite directions to stimulate skin, reduce sensitivity of the plucking sensation & provide optimal coverage for enhanced skin softness, even after 4 weeks
- 60 V-shaped tweezers provide optimal pressure to quickly & gently remove hair without breakage, even at the shortest length
- Dual massage rollers soothe skin for enhanced comfort
- Precision light for no-miss removal of finer hairs
- Safe & comfortable grip, even in wet hands
- 2 speed settings = speed I for sensitive areas, speed II for legs & larger areas of the body
- Sensitive area cap for precision hair removal from underarms & bikini line
- Protective cap
- Beauty pouch
- 2 year warranty
