NEXT LEVEL PRECISION

FACE

PRECISION W-TECH BLADES

High performance, high strength steel blades cut 25% faster.* Specially designed with an innovative W-shaped moving blade for precision results.

SMART COMB GUIDE

Lifts & guides facial hair to the level of the blades for ultimate length consistency. Easily trims your beard & stubble in one quick pass, while being gentle on the skin. Comb guide is removable so you can use the blade close to the skin for edging & the finishes touches.

TRIMMING UP TO 15MM LENGTH

1 comb guide with 15 precision trimming settings (1mm to 15mm) for crafting all types of beard & stubble.

FAST ADJUSTMENT

Integrated dial adjusts trimming settings in 1mm steps with easy to read LED display of selected length.

LITHIUM-ION POWER

Lithium-ion battery provides enhanced power for long-lasting cordless use. With fast charging & sustained power performance, even at lower charge levels.

WORLDWIDE VOLTAGE

Keep well-groomed wherever you go.

SMART STORAGE

Charging stand for easy storage on your benchtop.

WASHABLE

Removable, washable blades, for your cleanest cut.

LENGTH LOCK SYSTEM

Ensures no slipping in use & securely maintains the length setting to guarantee an even cut, everytime.

TRAVEL LOCK

Prevents the trimmer from being switched on accidentally when travelling.

QUICK CHARGE SYSTEM

5min quick charge for a single instant beard or stubble trim.

RECHARGEABLE, CORDLESS USE

60min cordless use from a 90min charge.
